In accordance with the relevant provisions of the *Administrative Measures for Equity Incentives of Listed Companies*, the *Phase III Restricted A Share Incentive Scheme of China State Construction Engineering Corporation Limited* and the *Phase IV Restricted A Share Incentive Scheme of China State Construction Engineering Corporation Limited* (hereinafter, the "Company"), the Company convened the 29th Meeting of the 3rd Board of Directors and 18th Meeting of the 3rd Board of Supervisors on December 28, 2022, as well as the 2022 Annual General Meeting on May 19, 2023. At these meetings, the *Proposal on Partial Repurchase of Shares Held by Participants of Phase III and IV Restricted A Share Incentive Schemes of China State Construction Corporation Limited* was deliberated on and adopted. The Company will repurchase and write off the non-unlockable restricted shares from some Participants under the Phase III and Phase IV Restricted A Share Incentive Schemes. For more information about the announcement, please visit the website of Shanghai Stock Exchange ([www.sse.com.cn](http://www.sse.com.cn)) or media designated by the Company for information disclosure dated December 29, 2022 and May 20, 2023.

As of the date of announcement, the Company has deliberated on and approved the proposal regarding the repurchase of a total of 14,918,400 non-unlockable restricted shares from 148 Participants under the Phase III and Phase IV Restricted A Share Incentive Schemes. These shares include 5,874,000 Phase III Restricted A Shares and 9,044,400 Phase IV Restricted A Shares. The repurchase prices of Phase III and Phase IV Restricted A Shares are RMB 3.468 per share and RMB 3.06 per share respectively, and the total repurchase price is RMB 48,313,367.49 (including interest). Following the write-off of all the repurchased shares, the Company's registered capital will be reduced by RMB 14,918,400.

The Company's registered capital and total number of shares will be reduced accordingly after the write-off. However, given the small ratio of the written off shares to its total equities, the write-off will not result in substantial changes in the Company's equity structure, or material impact on its financial standing or business performance.
